

PRIVATE MUSIC TUITION 2021

About Our Tutors

CCGS is fortunate to have an outstanding team of private Music tutors who are accomplished professional musicians. Individual needs, interests and abilities are catered for and endless opportunities are created for our students. Requirements for curricular Music classes are supported, particularly for elective Music students.

Cocurricular Music Ensembles

Performing in ensembles is the best way to maximise the benefits of learning music. All students enrolled in private Music tuition are expected to participate in the cocurricular Music ensembles appropriate to their instrument or voice. Singing in choirs is encouraged for all students, including instrumentalists, as well as joining multiple ensembles. Ensembles are open to all students, except for advanced groups which require auditions.

Fees

The cost of private Music tuition is \$47.00 per 30 minute lesson. Tuition fees are billed to your school account at the beginning of each term. One lesson per school week will be scheduled, except for public holidays, school camps or sports carnivals.

Instrument Hire

Although it is highly preferable for students to own their own instruments, a limited number of instruments are available to hire from the Performing Arts Department. Instruments which are usually less affordable such as cello, double bass, french horn, euphonium, tuba and oboe are available to hire. These instruments are more likely to create opportunities for students, due to vacancies in cocurricular ensembles. The cost of instrument hire is \$115 per semester.

Music Therapy and Wellness programs

A number of our music tutors also offer Music Therapy and Music for Wellness programs, specifically tailored to support students with specific emotional, social, physical and developmental needs. These programs are only offered by referral from the CCGS Learning Support Department. Enquiries regarding Music Therapy can be directed to Head of Learning Support:

ENROLMENT IN PRIVATE MUSIC TUITION AT CCGS OFFERS A WONDERFUL OPPORTUNITY FOR THE HOLISTIC EDUCATION AND DEVELOPMENT OF ALL STUDENTS.

PRIVATE MUSIC TUITION 2021

BY STUDYING MUSIC IN SCHOOL, STUDENTS HAVE THE OPPORTUNITY TO BUILD SKILLS, ENRICH THEIR LIVES AND EXPERIENCE THE WORLD FROM A NEW PERSPECTIVE.

MUSIC IS ABOUT COMMUNICATION, CREATIVITY AND COOPERATION.

Conditions

Students enrol in private Music tuition for the entire school year. Tutors are allocated by the Director of Instrumental Music and parents should keep in regular contact with them to monitor students' progress and interest. Tuition will not be discontinued before the end of the year without consultation between parents, the tutor and the Director of Instrumental Music.

Attendance

Music lessons are normally scheduled within school hours, by arrangement with the tutor. Students should be punctual and bring their music, instrument, music record book, school diary and any other equipment necessary.

Students are expected to remember their own lesson times, with the exception of Infants students. It is not the responsibility of the class teacher or the tutor to remind students of their times.

Practice

To consolidate what is taught in Music lessons, students are expected to practise regularly at home.

Absence and Illness

Parents should contact the tutor if a scheduled lesson cannot be attended [for example, illness or school excursion]. If a student is ill on the morning of their Music lesson, parents should contact the tutor directly. If advance notice is given to the tutor, the lesson will be rescheduled or not charged. **Unexplained absences will be charged for.**
